

## DAY 3 – THE LIGHT OF THE WORLD

### EXPERIMENTS AND OTHER ACTIVITIES TO DO AT HOME

#### HOME EXPERIMENT

##### Grow a Rainbow!

See the video on the Wonder Zone web page for instructions on how to grow a beautiful Rainbow. It's super easy and very cool to watch!!

All you need are 2 cups of water, some felt tip pens (colours of the rainbow) and some kitchen roll or loo roll – hopefully all things you have at home.

#### OTHER ACTIVITIES

##### Mud Pies!

Go outside and make a mud pie!!!

Try not to make toooooo much mess, or your gown-up might not be very happy!

Think about the blind man in today's Bible story and how Jesus rubbed mud in his eyes and healed him and gave him sight.

##### Torch Shadows

Turn on a torch and shine it at an object and look at the shadow it casts on the wall or floor behind it.

Use your hands to make shadow puppets, animals and shapes on the wall. You might need someone to hold the torch for you and shine the light on your hands towards the wall.

*Once again Jesus spoke to the people. This time he said, "I am the light for the world! Follow me, and you won't be walking in the dark. You will have the light that gives life."*

*John 8, verse 12*
